

Edel Hockey Classic Tufted

Edel Hockey Classic Tufted is the water-based pitch which has proved itself over the years at countless top clubs, both nationally and internationally. Its micro-fibrillated TenCate LSR® fibres combined with a high tuft density makes it a uniform pitch with optimum performance and playing characteristics. Precisely the qualities that players demand. As a result, this water-based pitch guarantees that hockey can be played at the very highest level!

The best alternative to nature

Product characteristics of EDEL HOCKEY CLASSIC TUFTED

Edel Hockey Classic Tufted stands for:

- The traditional, tried and tested water-based pitch
- Micro-fibrillated TenCate LSR®/NDR fibre
- LSR® (Low Slide Resistance) for controlled manoeuvring and slide-stopping
- NDR (Non-Directional) for perfect ball roll properties
- Perfect cushioning and shock absorption
- Low/No H₂O for efficient water consumption
- Double-action backing for optimal stability
- FIH Global approved (unfilled)
